

REMARKS

The present Supplemental Amendment After Final Rejection is being filed in order to correct claims 22 and 23.

Since claims 22 and 23 depend (indirectly) from an allowable independent claim, it is respectfully submitted that this correction raises no new issues of patentability and thus should be entered.

Respectfully submitted,

A handwritten signature in black ink that reads "Allen Wood". The signature is written in a cursive style with a horizontal line underneath the name.
